Gentlemen:

As requested an elevation survey was done of the residence at 13529 Durant Avenue, N.E., Lot 24, Block 1, SANDIA TERRACE ADDITION, Albuquerque, New Mexico for Brian R. Jones, to determine flowline and finished floor elevations for Flood Hazard Determination.

The elevations noted herein are M.S.L. Datum and are tied to ACS Benchmark "6-J23".

Curb elevations at centerline of property, south side of Durant Avenue;

Flowline	:	5,846.02
Top of Curb	:	5,846.67
Garage Floor	:	5,851.30
Finished Floor (residence)	:	5,851.67

Sincerely,

Ronald E. Tyree
