## Data.cabq.gov Core Metadata Requirements

### Contact Information

|                            |   |
|----------------------------|---|
| <b>Name</b>                | Tim Skelton                             |
| <b>Department/Division</b> | City of Albuquerque Planning Department |
| <b>Phone</b>               | (505)924-3359                           |
| <b>Email</b>               | tskelton@cabq.gov                       |

### What Does this Dataset Describe?

|  |  |
|--|--|
| <b>Dataset Title</b>   | Building Permits                             |
| <b>Short Description</b>   | Building Permit locations within Albuquerque |
| <b>Full Non-Technical Description</b>  |  |
| Building Permit locations issues for the City of Albuquerque issued since October 1, 2015. |  |

### How Should this Dataset be Cited?

#### *New Format*

<http://data.cabq.gov/business/busregistration/BuildingPermitsCABQ-en-us.csv>  
<http://data.cabq.gov/business/busregistration/BuildingPermitsCABQ-en-us.xml>

### Does the Dataset Reflect a Particular Time Period?

|                                 |                 |
|---------------------------------|-----------------|
| <b>Start Date</b>               | October 1, 2015 |
| <b>End Date</b>                 | Current date;   |
| <b>Dataset Refresh Interval</b> | Nightly         |
| <b>Dataset Expiration Date</b>  | n/a             |
| <b>Dataset Review Date</b>      | Production date |
| <b>Comments</b>                 |                 |

## Dataset Definition/Format

| Field Name                 | Format                     | Description  |
|----------------------------|----------------------------|--|
| BuildPermitsCABQ-en-us.xml |                            |  |
| ApplicationPermitNumber    | xs:string<br>length = 82   | Building permit number issued  |
| CommercialorResidential    | xs:string<br>length = 202  | Indicates whether a permit is for a commercial or residential project.<br>Values:<br>Residential<br>Commercial |
| TypeofWork                 | xs:string<br>length = 8002 | Indicates the type of work the permit is issued for.   |
| SiteNumber                 | xs:double<br>precision=2   | Street number for the site   |
| SiteStreet                 | xs:string<br>length = 402  | Street name  |
| SiteStreetType             | xs:string<br>length = 22   | Street type  |
| SiteStreetDirectional      | xs:string<br>length = 6    | Street quadrant  |
| SiteZip                    | xs:string<br>length = 12   | ZIP code   |
| Lot                        | xs:string<br>length = 122  | Lot, parcel or tract identifier  |
| Block                      | xs:string<br>length = 12   | Block identifier   |
| Subdivision                | xs:string<br>length = 122  | Subdivision name   |
| TotalSquareFeet            | xs:double<br>precision=2   | Square feet of structure   |
| PlanCheckValuation         | xs:double<br>precision=2   | Estimated cost of work   |
| OwnerName                  | xs:string                  | Name of owner  |

|                                      |                            |  |
|--------------------------------------|----------------------------|--|
|                                      | length = 122               |  |
| ContractorName                       | xs:string<br>length = 8002 | Name of Contracor  |
| IssueDate                            | xs:string<br>length = 18   | Date building permit was issued<br>Format: YYYYMMDD  |
| NumberOfUnits                        | xs:double                  | Number of units in a multiunit construction  |
| <b>BuildingPermitsCABQ-en-us.csv</b> |                            |  |
| ApplicationPermitNumber              | string                     | Building permit number issued  |
| CommercialorResidential              | string                     | Indicates whether a permit is for a commercial or residential project.<br>Values:<br>Residential<br>Commercial |
| TypeofWork                           | string                     | Indicates the type of work the permit is issued for.   |
| SiteNumber                           | number                     | Street number for the site   |
| SiteStreet                           | string                     | Street name  |
| SiteStreetType                       | string                     | Street type  |
| SiteStreetDirectional                | string                     | Street quadrant  |
| SiteZip                              | string                     | ZIP code   |
| Lot                                  | string                     | Lot, parcel or tract identifier  |
| Block                                | string                     | Block identifier   |
| Subdivision                          | string                     | Subdivision name   |
| TotalSquareFeet                      | number                     | Square feet of structure   |
| PlanCheckValuation                   | number                     | Estimated cost of work   |
| OwnerName                            | string                     | Name of owner  |
| ContractorName                       | string                     | Name of Contracor  |
| IssueDate                            | string                     | Date building permit was issued<br>Format: YYYYMMDD  |
| NumberOfUnits                        | number                     | Number of units in a multiunit construction  |

### ***Dataset Technical Description***

Xml format with tags for field names

Csv format with header row for field names

## ***Dataset Assumptions***

Data is from the system implemented on September 23, 2016.

## ***Who Produced the Dataset?***

DTI – BI Section

## ***Who Manages the Data?***

Planning Department

## ***Why was the Dataset Created?***

Provide data for citizens on Building Permits.

## ***How was the Dataset Created?***

Data is generated from the production Planning Department application and sent to BI group then extracted into xml and csv.

## ***What Similar or Related Data Should the User be Aware of?***

[http://data.cabq.gov/business/buildingpermits/buildingpermitsJSON\\_ALL](http://data.cabq.gov/business/buildingpermits/buildingpermitsJSON_ALL)

<http://data.cabq.gov/business/buildingpermits/BuildingPermits.kmz>

## ***How Reliable are the Data?***

Data is produced from the production Planning application that is used on a daily basis.

## ***How Well Have the Observations Been Checked?***

Data has been verified by the department.

## ***Are there Legal Restrictions on the Access or Use of the Data?***

None

## ***Legal Disclaimer***
