Department of Technology and Innovation  
Data Management**

**Voting Locations 2013**

***Contact Information***

<b>Name</b>	Natalie Howard
<b>Department/Division</b>	City Clerk
<b>Phone</b>	(505)-924-3650
<b>Email</b>	cityclerk@cabq.gov

***What Does this Dataset Describe?***

<b>Dataset Title</b>	Voting Locations 2013
<b>Short Description</b>	Voting locations for the 2013 City of Albuquerque election.
<b>Full Non-Technical Description</b>	
Points showing the voting locations for the 2013 City of Albuquerque election.	

***How Should this Dataset be Cited?***

<http://data.cabq.gov/government/votinglocations/2013/VotingLocations2013JSON>  
<http://data.cabq.gov/government/votinglocations/2013/VotingLocations2013KMZ>  
<http://data.cabq.gov/government/votinglocations/2013/VotingLocations2013.kmz>

***Does the Dataset Reflect a Particular Time Period?***

<b>Start Date</b>	2013 City of Albuquerque Municipal Election
<b>End Date</b>	2013 City of Albuquerque Municipal Election

<b>Dataset Refresh Interval</b>	Updates as needed leading up to election date
<b>Dataset Expiration Date</b>	2013 City of Albuquerque Municipal Election
<b>Comments</b>	
Additional data to be added to dataset as it becomes available – including room/office numbers and opening times.	

### ***Dataset Definition/Format***

<b>Field Name</b>	<b>Format</b>	<b>Description</b>
Facility	Text	Name of voting facility
Address	Text	Address of voting facility
Zip	Number	ZIP Code
Geocode	Text	Address for mapping purposes
VotingOptions	Text	What type of voting is available (Early Voting, In Person Absentee, Election Day)
OpenTimes	Text	Time of day the voting location is open. If the location is open for both Early Voting and on Election day it will only show the times for Early Voting.
OpenDate	Text	Dates for which the voting location is open. If the location is open for both Early Voting and on Election day it will only show the dates for Early Voting.
UniqueID	Number	Unique ID assigned to each voting location.

### **KML Format**

Please refer to <https://developers.google.com/kml/documentation/kmlreference> for information on the KML file format. The KMZ file described here contains one or more KML files zipped together.

The specific data elements described below are unique to the **VotingLocations2013.kmz file** and are found in the KML element <description> <![CDATA[<html>. The data is embedded in an html table using standard HTML code for Table, Table Row, Table Header and Table data. The Table Headers identify the Field Name and the Field Value. Each row of table data represents the data elements.

The file name is: **VotingLocations2013.kmz; VotingLocations2013KMZ**

## ArcGIS JSON Format

Please refer to <http://www.json.org/> for general information on the JSON file format.

The file name is: **VotingLocations2013JSON**

### ***Dataset Technical Description***

Projection: WGS\_1984\_Web\_Mercator\_Auxiliary\_Sphere

The VotingLocationsJSON is a text file with all of the voting location included. This data is no longer available via the REST Endpoint.

Please refer to <https://developers.google.com/kml/documentation/kmlreference> for information on the KML file format.

Please refer to <http://www.json.org/> for information on the JSON file format.

Please refer to [REST API](#) for information on how to use the REST API.

### ***Dataset Assumptions***

Data is accurate as of July 1, 2013. Locations and times are subject to change.

### ***Who Produced the Dataset?***

GIS Team  
Department of Technology and Innovation  
Applications Division  
Email: [gis@cabq.gov](mailto:gis@cabq.gov)

### ***Who Owns the Data?***

City of Albuquerque, Office of the City Clerk

### ***Why was the Dataset Created?***

To provide the public with voting locations for the 2013 City of Albuquerque Municipal Elections

### ***How was the Dataset Created?***

Voting locations were determined by the Office of the City Clerk. The ITSD GIS team geocoded the locations and adjusted the points manually when necessary. There may be discrepancy

between the exact positions of the voting locations and where the point is placed.

### ***What Similar or Related Data Should the User be Aware of?***

*Are there any other datasets available that may contain related or similar information? Might there be situations in which these other datasets might be a better alternative?*

Please see the metadata file in each of the dataset folders for information on how to use the information.

The City of Albuquerque has other GIS information available. Below is a list of a few of the datasets that are available.

City Limits

<http://data.cabq.gov/government/citylimits/>

City Council Districts

<http://data.cabq.gov/government/citycouncildistricts/>

### ***How Reliable are the Data?***

The dataset is highly reliable. This data is produced by the City Clerk's office.

### ***How Well Have the Observations Been Checked?***

Verified by the providing department

### ***Are there Legal Restrictions on the Access or Use of the Data?***

None

### ***Legal Disclaimer***

The City's standard copyright, disclaimers and legal statements may be found at <http://www.cabq.gov/about/legal>. The City data policy governing data.cabq.gov may be found at <http://data.cabq.gov/policy/>.
